

# Insertion at Beginning of Single Link List

Saturday, August 8, 2020

Insertbegin(start,item,avail)

```

If avail=null
    print"Overflow"
    exit
end if
save<-avail
avail->link<-avail
If start=null
    start<-save
    data->start<-null
    exit
end if
ptr<-start
start<-save
data->save<-item
link->save<-ptr
end
    
```
