

Count even node

Sunday, August 9, 2020 11:31 AM

```
evencount(item,start)
If start=null
    print "Empty List"
    exit
end if
ptr<-start
c=0
repeat
    ptr->link<-ptr
    data->ptr<-item
    if item%2=0
        c<-c+1
    end if
    else if ptr=null
        exit
    end else if
end repeat
end
```
